

## MUNUC XXIV FINANCIAL AID APPLICATION

The Model United Nations of the University of Chicago strongly believes that no student should be unable to attend our conference for financial reasons. Therefore we aim to assist in aiding students to attend through need-based financial aid by waiving our school fees in the case of expressed financial aid for an entire delegation, and/or waiving individual delegate fees for students in need of financial assistance. We realize that coming to any Model United Nations conference is expensive and that travel and lodging costs are significant, especially in this troubled economy.

All financial aid applications **MUST BE POSTMARKED BY November 4th 2011**.

We regret that we cannot consider late applications.

*This form should be filled out by the **advisor only**. One form should be completed **per school**. Supplementary material is required for **each student** that is applying for financial aid.*
